

Recycle Your Plastic Grocery Bags!

The Tiverton Department of Public Works
50 Industrial Way
Tiverton, RI
(Next door to the Police Station)
Between the hours of 7:00 and 3:30 weekdays

There are now bins at the DPW Garage for residents to
recycle their plastic grocery bags!

The bags are being collected through the Rhode Island
Resource Recovery Corporation Restore Program which
collects used plastic bags for recycling. This will help the
Town to increase the volume of recycling and more
importantly to help the environment!
